

Christmas decoration Art Competition 2024

A huge thank you to all of the children that participated in the Christmas decoration art competition this term! We received so many beautiful and creative decorations ranging from crochet wreaths to clay gingerbread men, hand sewn gonks and papercraft angels, as well as some traditional decorations from countries around the world.

These amazing artists and crafters have truly helped to spread some Christmas cheer at St. Saviour's! Though it was an incredibly difficult decision to make, we are pleased to announce our competition winners....
