Book Shed Rewards

...earn a shed load of books!

Dear Parents / Carers,

As you know, at St Saviour's, we reward children for reading with 'Book Shed' vouchers. Children earn 25p book tokens that can be spent on a fantastic range of brand-new books from our very own school book shop.

We have a wide range of books for children to choose from and most of our books are at least 50% off the RRP on the back of the book and cost from £1 up to £6. Children will be able to save up their 25p vouchers to buy the book that they want or they can choose to top up their vouchers with money if they wish.

The 'Book Shed' will be open to all children in Years 5 and 6 during the day on **Thursday 20th March**. Each class will be given a time to visit the book shop and can take a look at all the books available. Children will be able to exchange their vouchers for books of their choice. You can also send money in on this day if you would like to top up their vouchers or children can just buy books as well. **We do ask that money is kept safely in a purse/ wallet while in school or a named envelope so it does not get lost.**

If children would prefer to save up their vouchers for a more expensive book that is absolutely fine. There is no pressure to spend vouchers straight away but they can use this time to enjoy having a look to see what they want to save up for!
