Working Hard and Caring For Each Other

Year 6 Term 5
Information and Home
Learning

Reading

We ask that your child reads at home for **at least twenty minutes at least three times a week** — that's an hour in total. This could be a school or home book. Please help us keep track

Top tips:

- Find somewhere comfy to read. Relax and enjoy!
- Build it into your routine — find what works for you. Your child could read to you while you're cooking or on a car journey.
- Make it fun! Use character voices, take turns, talk about what is happening, make links to your own lives, get siblings involved ...
- Reading is essential for developing new vocabulary. Chat about new words — what could they mean? Where have you heard them used before? Challenge each other to use new words later on!
- Talk about books — what types of books do they enjoy?

Useful websites:

<https://global-zone61.renaissance-go.com/studentprogress/homeconnect?t=2036475> Your child can use AR Home Connect to quiz at home. This includes on books you have read *with* them or *to* them. Feel free to read the questions and options but please ask your child to answer independently. You can also set up email notifications for quizzes and assessments they complete in school.

www.FreeKidsBooks.org and www.OxfordOwl.co.uk for free e-books!

Spellings to learn

These are the words from the government spelling lists that we are covering in class this term. We will be learning the clues to help us with the spellings. Any extra practice you can do at home will always help! Remember to use a 'spelling voice' (saying the word so you can hear all of the letters) to help you. Why not stick them on your fridge and have a go at one or two each day?

Remember: SAY the clue and WRITE the word

Word	Clue
double consonants in first syllable	
aggressive	a - g - g - ress - ive
correspond	corr - es - pond
sufficient	Put suff - ic - i - ent 'f's
suggest	I suggest two 'g's
ua	
guarantee	I g - u - ar - an - tee 2 'e's
individual	in - di - vid - u - al
language	lang - u - age
persuade	pers - u - ade

Challenge: can you write any linked words? E.g. build links to building and rebuild

GPS Revision

Revision focus for this term should include recall of the key terminology associated with the Grammar, Punctuation and Spelling test. Any practice you can do at home will always help!

Maths—Key Instant Recall Facts

Revision focus for this term should include recall of all multiplication facts up to 12×12 and associated division facts. Any practice you can do at home will always help!

Challenge: can you do any related number facts that use the 4x or 8x tables? E.g. $3 \times 60 = 180$, $50 \times 60 = 3000$

You also have the Essential Maths Facts Booklet that was sent home over the Easter break to continue revising key knowledge pupils will need to know and recall during their upcoming SATs tests.
