**Summer Fair**

**Thursday 10<sup>th</sup> July 2025 2.00 – 4.00pm**

Dear parents and carers,

The Summer Fair is fast approaching and the organisation is well underway. There will be our usual tombola stalls, which are so popular, along with other traditional fete games such as human fruit machine, guess the name of the teddy and net a duck. If you fancy getting your face painted, make sure to visit the stall early on as this one is always busy, busy, busy! The pick and mix stall has become a tradition and following on from the success of last year, soak a teacher will be back. Mr Bonell and Mr Arnold will again be providing us all with tasty offerings from the BBQ! There will also be some activities run by outside companies. New for this year will be a challenge the teacher at tug of war! As always, the refreshments will be open throughout the afternoon.

If you have any ideas or contacts that you think we may be able to use to make our fair even better, please do let us know. If you are able, we are kindly asking for your expert baking skills to provide cakes for our refreshment stall, please may we ask for them to be brought in on the morning of the fair. Private stalls are very welcome to join us, please contact the school office for further details and spread the word locally – we want to involve as much of the community as possible.

There will be a non-uniform day on Friday 4<sup>th</sup> July in return for goods for the fair. Please use the list as a guide for donations.

**Non-Uniform Friday 4<sup>th</sup> July**

**Year 3:** New prize for children's tombola

**Year 4:** Toiletry gifts

**Year 5:** Chocolates/Biscuits/Sweets/Cakes  
(please check use by dates)

**Year 6:** Bottles for adult tombola

We are looking for volunteers to help set up on the morning of the fair/run stalls and sell refreshments during and to tidy up afterwards. If you could spare even a small amount of time, please let the office know ASAP – we cannot put these events on without your support! Thank you

Yours sincerely

Mrs Tift
