Thursday 26<sup>th</sup> March 2026

Dear Parents/carers,

As you may have heard from your children, Year 6 SATs are fast approaching! As this is an important time in your child's education, and a chance for them to show off their amazing skills, we thought it would be useful to invite you to our **SATs Information Evening** on Wednesday 22<sup>nd</sup> April 2026 from 5pm. This event will be held in the school hall.

While preparing your child academically for the tests is our job, we would urge you to come and find some tips and tricks for supporting your child with basic revision and most importantly, wellbeing. It is common for children to have questions and worries about these tests and so we hope to be able to answer any questions either you or they have.

The outline of the short session is as follows:

How can you help your child and prepare them to perform?
Breakfast club during the week of SATs.
Attendance information.
A look at the timetable for the week.
An overview of what is involved in each test.
Questions and answers.

We warmly invite you to attend this event.

Kind regards,

The Year 6 Team
